ILLINOIS TECHNOLOGY TRANSFER CENTER

Work Zone Safety Training

Instructor Led Training-Online

This class provides training to local agency personnel for their day labor and maintenance activities.

Topics to be covered: Traffic control devices, traffic control plans, and work zone safety.

If you are interested in attending, please complete the registration form below and email it to: Emmons King at Emmons.King@illinois.gov. You will receive an email confirming your enrollment as well as the WebEx link approximately 48 hours prior to the class. Classes are free of charge.
