

Be prepared... for less!

If every official in your township doesn't have the most current **Laws & Duties Handbook** yet, now is the time to order. Our 2015 edition is a vital resource for all townships in Illinois. TOI staff developed this easy-to-use handbook in collaboration with the law firm, Ancel, Glink, Diamond, Bush, DiCianni, and Krafthefer, P.C.

In anticipation of the 2017 handbook being published later this year, we are offering our remaining inventory at a discount. Starting this month, order your handbook for only \$10 each (originally \$24) or \$9 each, when you order 2 or more.
