

## **PO 220.14: Child Care Expense Incurred to Attend an Appeal**

**PR 220.14.**

Authorize payment for child care expenses incurred by a Family and Children Assistance appellant (active, pending, denied, or canceled case status) to attend a pre-hearing conference or an appeal hearing. The client may contact the GA Unit and request the payment at any time from the date that the appeal is filed until 30 days after the hearing date. Verify expenses claimed by the client.

Make payment for child care in accordance with the maximum rates for type of care provided.

If the request is made more than 30 days after the hearing date, deny the request and notify the client in writing of the denial.
