

# 37<sup>th</sup> Annual TOWNSHIP TOPICS DAY

It's time to join forces in Springfield for the Township Officials of Illinois' 37<sup>th</sup> Annual Topics Day. TOI invites you to become a part of our legislative team, and we need you to be present on this very important day for townships at the Statehouse. Township Topics Day allows township officials from throughout the state to meet with their legislators and others in the State Capitol to discuss matters that directly affect township government. We encourage you to call your legislators prior to April 3<sup>rd</sup> to set up an appointment so you will have a better chance of talking with them when in Springfield. You will be given TOI's legislative agenda that includes bills of interest that you may share with your legislators. We urge you to make use of the afternoon to help make townships visible!
