

## **1505.1: GA Unit Qualification to Receive State Funds for GA**

To qualify for State funds for GA, a GA Unit must either:

- a. Impose a tax for the current fiscal year which, in combination with the unobligated balance of local GA funds available at the end of the preceding fiscal year, will yield an amount for GA equal to .10% of the last known total equalized value of the Unit's taxable property, **or**
- b. On the last day the tax could be imposed for the current year, have available an unobligated balance of local GA funds equal to .10% of the last known total equalized value of the Unit's taxable property.

Intent to Levy (Form 93B) is sent centrally to all units receiving State funds in the prior year. This form must be returned to the DHS Office of Fiscal Services no later than June 1.
