Where We Are Headed

In 2016 the Executive Board changed the name of the Social Workers Division to the "Illinois Township Association of General Assistance Caseworkers." The name change indicates that any person working with General Assistance is eligible for enrollment. Changing the name better identifies the purpose and direction of the division as well as helps to increase membership.

The Association is looking ahead to a great year. The Executive Board is actively working on scheduling educational workshops across the State of Illinois in an effort to reach out to townships statewide and assist them in connecting to local community resources and services available; the end result being better service to residents.

In 2018 we hope to gain awareness for this Association, build membership, and bring informative educational opportunities to members so that we can continue to do great things within the Association and all Townships in the State of Illinois.
