

**2018 Professional  
Development Course 5  
Cyber Liability/& Other Coverages  
– Sponsored by TOIRMA**

The TOI Education Program is pleased to offer several Professional Development Courses in 2018 for township officials and staff. The fifth program of the year is **Friday, October 19, 2018**, at the TOI Office in Springfield. The session is limited to 25 attendees. The cost is \$75 and includes lunch. The seminar is scheduled from 10am – 3pm to accommodate travel time. Six hours of education credit will be given for workshop completion.

Cyber security issues are becoming more and more of a problem every day. Personal, private, and public computer systems are all impacted. Chris Hill, Chief Information Security Officer and Jeff Thompson, Security Analyst and Certified Ethical Hacker both with the Illinois Department of Innovation & Technology (DoIT) will outline cyber threats and ways to combat them. The TOIRMA Program began offering Cyber Liability Coverage in June 2017, and this is your opportunity to learn more about Cyber Liability and how it applies to you. This informative program will better equip township officials with the tools and questions that will aid in limiting your liability exposures. TOIRMA representatives will also review other coverages provided to TOIRMA Members and will provide attendees an opportunity to ask questions during this interactive program.
