**Reminder: If you have not paid your township dues to our office please make sure you do so as soon as possible. As of publication, we have received dues payments from 1,023 townships. The deadline to pay dues is September 1. You should have received a form detailing your township membership and listing your officials from TOI, which can be sent back to our office with payment and any changes that have taken place. It is very important that we have the current and correct address for every official, so please double check your dues form, note changes on the form accordingly, and make sure to contact our office immediately if this information changes throughout the year.**
