

Local CURE Support Program Spending Status Survey 'How To'

Illinois
Department of Commerce
& Economic Opportunity

JB Pritzker, Governor

Survey Purpose

The purpose of the survey is to obtain information on whether your government entity plans on utilizing all of its current Local CURE allotment and if additional funds are needed. The Local CURE Program rules require DCEO to administer this survey to ensure the State is able to maximize the use of funds for local government needs.

Requirement

- If you don't complete the survey by DECEMBER 1, 2020, your local government's unused funding allotment will be **forfeited** and **reallocated** to other local governments in need of funding.
- You must indicate if you plan on using any current remaining allotment, and you have the opportunity to request additional funding.
